5. Parish Affairs
Vandalism in village – as Cllr Howard could not be present she emailed the following information
“I have met with Mark Cowdell and we are planning on holding a Youth Hub event on the 14th May 11-1 at the Bedford Hall. This is to encourage dialogue between the young people of Thorney and adults so we can make way of getting the young people involved in their futures and educating them over their low level anti- social behaviour.
There will be a bacon roll and a chat type vibe and possibly a DJ.
Mark and I will be contacting the young people advertising on social media etc and hopefully this will also lead to getting some young people interested in the youth council. Mark and I have lots of experience in this field and I am happy to do this in the capacity of a Parish Councillor.
Cllr Potts could maybe come along with the skate park plans etc”.
6. Formal Resolutions -
It was formally resolved to support the initiative and that Thorney Parish Council would cover the costs
It was also agreed to contact the Police and ask for presence in the village particularly in areas where vandalism was occurring
It was also agreed to ask the Police to attend our meetings

The meeting closed at 7.15 p.m.
